

# Nostalgia

Buzzcocks

I bet that you love me like I love you  
But I should know that gambling just don't pay  
So I look up to the sky  
And I wonder what it'll be like in days gone by  
As I sit and bathe in the wave of nostalgia for an age yet to come

I always used to dream of the past  
But like they say yesterday never comes  
Sometimes there's a song in my brain  
And I feel that my heart knows the refrain  
I guess it's just the music that brings on nostalgia for an age yet to come

Ah nostalgia for an age yet to come  
Nostalgia for an age yet to come

About the future I only can reminisce  
For what I've had is what I'll never get  
And although this may sound strange  
My future and my past are presently disarranged  
And I'm surfing on a wave of nostalgia for an age yet to come

I look I only see what I don't know  
All that was strong invincible is slain  
Takes more than sunshine to make everything fine  
And I feel like I'm trapped in the middle of time  
With this constant feeling of nostalgia for an age yet to come

Ah nostalgia for an age yet to come

About the future I only can reminisce  
For what I've had is what I'll never get  
And although this may sound strange  
My future and my past are presently disarranged  
And I'm surfing on a wave of nostalgia for an age yet to come

I look I only see what I don't know  
All that was strong invincible is slain  
Takes more than sunshine to make everything fine  
And I feel like I'm caught in the middle of time  
And this constant feeling of nostalgia for an age yet to come

Ah nostalgia for an age yet to come

Nostalgia for an age yet to come  
Nostalgia for an age yet to come
