

# Operator's Manual

**Buzzcocks**

Operator's manual  
Tells me what to do  
When emotions blow a fuse  
Indicating blue

Operator's manual  
Tells me what to find  
And how to make adjustments when  
You tamper with my mind

Oh operator's manual  
I'd just fall apart without you  
If only I had a mechanic  
Then somehow I know I'd pull through

Operator's manual  
On page sixty-three  
Tells me what to do when you  
Do these things to me

Oh operator's manual  
I'd just fall apart without you  
If only I had a mechanic  
Then somehow I know I'd pull through

Operator's manual  
Tells me what to do  
When emotions blow a fuse  
And I'm feeling blue

Operator's manual  
On page sixty-three  
Tells me what to do when you  
Do these things to me

Oh operator's manual  
I'd just fall apart without you  
If only I had a mechanic  
Then somehow I know I'd pull through
