## Buzzcocks

At dinner while watching your favourite soap  
You'll always return the call  
You talk a long time in a certain way  
But you don't really say that much at all  
You are so close and yet so far away from me  
Yes I get sad I get sad and lonely you're all that matters to me

Just put the phone down  
Just put the phone down

I know the reason that you can't talk  
What's unsaid I guess can keep  
What don't you call me on the mobile phone  
After all you know talk is cheap

You are so close and yet so far away from me  
Yes I get sad I get sad and lonely you're all that matters to me

Just put the phone down  
Just put the phone down  
Just put the phone down  
Just put the phone down

You are so close and yet so far away from me  
Yes I get sad I get sad and lonely you're all that matters to me

Just put the phone down  
Just put the phone down  
Just put the phone down  
Just put the phone down  
Just put the phone down  
Just put the phone down  
Just put the phone down  
Just put the phone down
