

# Soul On A Rock

**Buzzcocks**

This desolation sweeping over me  
I find hard to disguise  
The contradiction what I want and what I see  
Had led to darkening skies

And I don't know if you're just deceiving me  
And I just hope that you're not deceiving me

I often wonder are there secrets that you've kept  
With some other guy  
Some consolation it hasn't happened yet  
Or was that just a lie

And I just hope that you're not deceiving me  
And I don't know if you're just deceiving me

My soul on a rock  
I know what I feel  
My soul on a rock  
It hurts 'cause it's real  
My soul on a rock  
I wanna believe

I often wonder are there secrets that you've kept  
With that other guy  
Some consolation it hasn't happened yet  
Or is that just a lie

And I hope that you're not deceiving me

My soul on a rock  
I know what I feel  
My soul on a rock  
It hurts 'cause it's real  
My soul on a rock  
I wanna believe

My soul on a rock  
I know what I feel  
My soul on a rock  
It hurts 'cause it's real  
My soul on a rock  
I wanna believe

And I hope that you're not deceiving me

My soul on a rock  
I know what I feel  
My soul on a rock  
It hurts 'cause it's real  
My soul on a rock  
I wanna believe

And I hope that you're not deceiving me

My soul on a rock  
I know what I feel

My soul on a rock  
It hurts 'cause it's real  
My soul on a rock  
I wanna believe
