

Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry  
Now now that you're gone  
My world is turning to stone  
Now now that you're gone I'm alone

So many nights  
You would beg me to stay  
So many nights  
I would leave anyway

I had love in the palm of my hand  
Why didn't I understand

Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry  
Now now that you're gone  
My world is turning to stone  
Now now that you're gone I'm alone

I should have seen  
All the tears that you cried  
I should have been  
There to hold you at night

Now I know just what I should do  
Now that you're gone I love you

Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry  
Now now that you're gone  
My world is turning to stone  
Now now that you're gone I'm alone

Now now that you're gone  
I see that I was blind  
Now now that you're gone I cry  
Now now that you're gone  
My world is turning to stone  
Now now that you're gone I'm alone
