

Rise To The Occasion

BWO

O-o-o-oh

O-o-o-oh

I take you one step further

I take you one step further

I will rise to the occasion

O-o-o-oh

I will always be there by your side

O-o-o-oh

I will rise to the occasion

You can count on my pride

Ah-ah-ah-ah

The words are on your lips

And I can hear you recite

You're going through the motions

And I know how you fight

But you don't need to worry about thieves in the night

'Cause I will be there by your side

Your life has been a struggle

Now come see about me

I've got my graduation

You're my final degree

I will ignore the warnings while I'm setting you free

'Cause I will be there by your side

O-o-o-oh

I will rise to the occasion

O-o-o-oh

I will always be there by your side

O-o-o-oh

I will rise to the occasion

You can count on my pride

Ah-ah-ah-ah

Who said life should be easy

That was not my refrain

My life has been preparing for the storm and the rain

So when the winds are blowing

I'll be your hurricane

'Cause I will be there by your side

O-o-o-oh

I will rise to the occasion

O-o-o-oh

I will always be there by your side

O-o-o-oh

I will rise to the occasion

You can count on my pride

Ah-ah-ah-ah

The words are on my lips

And you can hear me recite

I'm going through the motions

And you know how much I fight

But I don't need to worry about thieves in the nights
'Cause you will be there by my side

And when you feel it's over
I take you one step further
O-o-o-oh
And when you feel it's over
I take you one step further
O-o-o-oh
And when you feel it's over
I take you one step further
O-o-o-oh
You know you can count on my pride
O-o-o-oh

I will rise to the occasion
(I take you one step further)
O-o-o-oh
I will always be there by your side
(I take you one step further)
O-o-o-oh
I will rise to the occasion
(I take you one step further)
You can count on my pride
Ah-ah-ah-ah

O-o-o-oh
I will rise to the occasion
(I take you one step further)
O-o-o-oh
I will always be there by your side
(I take you one step further)
O-o-o-oh
I will rise to the occasion
(I take you one step further)
You can count on my pride
Ah-ah-ah-ah
