

# Open My Eyes

By The Tree

You're the only one  
That's worthy of my praise  
You're the only one  
This voice will raise

Open my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into  
Fall into

You're the only one  
That's worthy of my praise  
You're the only one  
This voice will raise

Open my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into

Open my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into

Open my eyes  
It's You, I'm falling into  
Open my eyes  
It's You, I'm falling into  
Fall into You
