

# I've Got A Reason

Byron Cage

If you know you've gotta reason to praise Him  
Tell some of the people real quick, say  
"I've gotta reason to praise Him"

I've gotta reason, I've gotta reason  
To clap my hands, to clap my hands  
I've gotta reason, I've gotta reason  
To sing and dance to sing and dance

I've gotta reason, I've gotta reason  
To lift my voice to lift my voice  
I've gotta reason, I've gotta reason to rejoice  
I've gotta reason, I've gotta reason to rejoice

For life strength and health  
For joy and peace of mind  
For Your divine favor  
For being a merciful Savior

Even when I seem faithless  
Your love is never changing  
An ever patient and loving God you are  
That's why I give you all the praise  
And I say I've gotta reason

I've gotta reason, I've gotta reason  
To clap my hands, to clap my hands  
I've gotta reason, I've gotta reason  
To sing and dance to sing and dance

I've gotta reason, I've gotta reason  
To lift my voice to lift my voice  
I've gotta reason, I've gotta reason to rejoice  
I've gotta reason, I've gotta reason to rejoice

When I think of His goodness  
And everything He's done  
You don't understand why I'm clapping  
My hands like this today 'cause I've already won

He's given me the victory out of the hands of the enemy  
So excuse me while I give God all of the glory  
Because I know I've been redeemed, whoa  
I've gotta reason

I've gotta reason, I've gotta reason  
To clap my hands, to clap my hands  
I've gotta reason, I've gotta reason  
To sing and dance to sing and dance

I've gotta reason, I've gotta reason  
To lift my voice to lift my voice  
I've gotta reason, I've gotta reason to rejoice  
I've gotta reason, I've gotta reason to rejoice

This is why, now who has brought us  
Taught us along the way

Our total praise be yours today  
Oh, God of mercy we declare Your name

Jesus, Jesus, Jesus, Jesus  
Jesus, Jesus, Jesus, Jesus  
Jesus, Jesus, Jesus, Jesus  
Jesus, Jesus, Jesus, Jesus
