

# Invitation

Byron Cage

[Verse:]

We anticipate Your arrival,  
Your anointing, Your deliverance in this place.

Your power, Your healing,  
Your mercy, we invite You in.

[Chorus:]

Come into this place,  
lead us with Your grace,  
we invite You in.

[Bridge:]

Oh, Holy, Lord, God Almighty,  
we will give You praise.

[Vamp:]

Come on, move freely,  
You are here in this place.

Master enter in,  
You're welcome into our hearts.

[Ending:]

Holy, Lord, God Almighty,  
we will give You praise.
