

# Lift Him Up

Byron Cage

[Verse:]

No matter what the problem may be,  
He's in control and He knows everything.  
I have the victory for He is my King,  
in Him I live, move, and I have my being.

[Chorus:]

Let the people lift Him up,  
rejoice, and shout unto Him.  
For You have caused us to triumph  
and we know we will rule in the end.

[Vamp 1:]

Lift Him up, lift Him up,  
lift Him up higher and higher.

[Vamp 2:]

Higher, higher, higher,  
higher and higher.

[Vamp 1]
