[Verse:]

No matter what the problem may be, He's in control and He knows everything. I have the victory for He is my King, in Him I live, move, and I have my being.

[Chorus:]

Let the people lift Him up, rejoice, and shout unto Him. For You have caused us to triumph and we know we will rule in the end.

[Vamp 1:]

Lift Him up, lift Him up, lift Him up higher and higher.

[Vamp 2:]

Higher, higher, higher, higher and higher.

[Vamp 1]
