

## Presence Of Royalty

Byron Cage

Were in the presence of royalty. It's our sovereign God and King, were before your throne, we bow at your feet. We worship you holy king. It's in your presences that I find joy, it's in your presence that I find peace. I find rest for my soul and strength for my life lying here at your feet.

In your presence there is fullness of joy  
In your right hand there are pleasures forevermore  
The nations sing  
The people rejoice  
Holy one above them all  
Matchless name we will call  
Ohh  
God we bow before you  
Worship you only

We're in the presence of royalty  
It's our sovereign god and king  
Were before your throne  
And bow at your feet  
Worship you holy king
