

# Goodbye Sue

BZN

Riding along in a caddilac on a way back to my baby  
I've been through the lands of the USA just to get me  
back my baby

I beg a four leaf clover  
Where she is tonight  
'Cause I really love her

Met her in a barroom on a Saturday night, she was  
hanging round there lately  
I took her in my car, hid her in my house, but then she  
ran ran ran away

I beg a four leaf clover  
Where she is tonight  
'Cause I really love her

Goodbye Sue  
Goodbye Sue  
Goodbye Sue  
Goodbye

Goodbye Sue  
Goodbye Sue  
Goodbye Sue  
Goodbye

Riding along from the Rio sand, down the highway to St.  
Louis  
Searching in the land of the rising sun and even  
Mexico, but none

I beg a four leaf clover  
Where she is tonight  
'Cause I really love her

Goodbye Sue  
Goodbye Sue  
Goodbye Sue
