

Searching

BZN

Searched for you in all the places I know
I'm gonna find you anywhere you are

I'm the seeker
I'm the seeker
I'm gonna find you
I'm gonna find you

Even though I don't know if you're hiding
Soon I'm gonna get you by my side

I'm gonna let you
I'm gonna let you
Be my woman
Be my woman

Travelled down in Mexico to get you
Just because of all the guts I got

I'm the seeker
I'm the seeker
I'm gonna find you
I'm gonna find you
