BZN

Tear drops are falling  
tear drops are falling  
cry dont cry (2x)

Tear drops are falling  
outa my eyes  
tear drops are falling  
i wonder y  
tear drops are falling  
for you ... made me cry

you made me cry

my heart is aching  
almost breaking  
if you hear me  
come back to me

tear drops are falling  
and you made me cry

yes tear drops are falling  
falling from my eyes  
yes yes yes  
you made me cry  
when you went away  
you stayed away so long  
come back my dear

my heart is aching  
almost breaking  
if you hear me  
come back to me  
teardrops are falling  
aaand you made me cry
