C-Block

I gotta keep movin', up and down this life  
I gotta keep movin', leave the past behind  
And do all it should be done, to live my life and have some fun  
Life is how you make it, so take it

Now I see ya still movin, while I'm groovin,  
Once again I'm back in the house, I'm improovin,  
To let you know, let you real somethin good  
But not this, see you wish you could  
Gotta lay the past behind, what's on my mind,  
It's the rime shinin, clinin, I'm pporing on a way to the top  
With CBK-style with the club hiphop  
I bring it back, put it down the line  
I stop and come on the top of the dine  
Did you think I was gone all for real?  
But you're going full, with the rap appeal,  
Now here it comes stronger much harder  
Where black and go, much started  
I can't stop, nigga come Pop! Drop!  
Gotta keep movin'!

I gotta keep movin, up and down this life

I gotta keep movin', while you snoozin  
It's the club style mix, I'm here to prove it  
Now recognize the M to the M P,  
The P is for POP, and I don't stop  
And I can't be stopped now immitade it  
So watch out, yeah, ya still hacned  
It's the digness with the mystery  
Now watch out and go, see I peep this  
I still standing on the eastcoast level  
I'm still diggin deep, and I'm remaining the shevel  
Now I keep going try to face that  
Still ponding powerful commercial track, jack  
Gotta bring it to you nice and slow  
On the carpet C, it is my time to glow  
I stay away to long, it's beeting my chest like King Kong

I gotta keep, I gotta keep, I gotta keep on movin'  
I gotta keep, I gotta keep, I gotta keep on movin'

It's 1999 ya'll, and we still represent C-BLOCK  
We just tryin to let you know, Life is what you make it  
So leave the past behind, cause that's the way it's done,
