

# My Life

C-Block

I don't wanna be down  
just don't wanna feel sad  
cause I thaught it last forever  
but he's been talking  
and I saw him walking  
with another girl

It's time to get my point across  
and I sit back and relax  
as I take you on this ride

I can't help it that's the way you feel  
You're playing with the same old game  
straight whip appeal  
still you commin with this attitude  
say I'm playing you out  
and I'm actin rude now le me break it  
down to you that's the way I play  
no matter what you do,  
no matter what you say  
I'm gonna stay this way  
until my daying day  
so take that my answer in a bag  
that's your thang girl if it makes you mad  
just take the sand and switch it with glad  
I'm the fly'est thang that you ever had  
try to understand it's my rule and I  
made it I'm updated and I'm hella  
complicated it ain't up to me  
it's all up to you  
do you wanna win or do you wanna loose  
it's your choise, now choose

You're everything that counts in my life  
I never find a way to get back to you  
Everything that counts in my life  
(If you wanna play, come around my way)  
So give me a reason cause there's no more  
light in my life

Now bring it on back  
P's going to let ya'll know  
that I've been playing the game  
straight to my membrain  
steady mackin P keep stackin it up  
so make up your mind before time is up  
the clock's tickin I got you  
checkin on the time walking down the street  
like I feel the beat the way you front  
about me to your girls behind my back  
Is he the real mack?  
Is it really like that. Maybe so.  
Let me keep my story locked  
Now I gave you everyday loot in your pocket  
Now you turn your back in me,  
look how you act  
You make me wanna to snatch

the clothes right from your back  
cause I bought it I gave you everything you need  
for love to material things, yes indeed  
every single stitch from poor to rich  
and now you wanna be a silly bitch

In my life, in my life, in my life

So give me a reason cause there's no more  
light in my life

I don't wanna be down  
just don't wanna feel sad  
cause I thought it last forever  
but he's been talking  
and I saw him walking  
with another girl

It's time to get my point across  
and I sit back and relax  
as I take you on this ride
