

Cause You Are Young

C.C. Catch

Heartache
Heartache
Heart was gold

Oh
She hurt you
It's stone cold.
Lonely
Lonely
Your wasted years

You're a winner with bad souvenirs.
You're a hero
You're a man
You're a winner
Take my hand.

'Cause you are young
You will always be so strong

Hold on tight to your dreams
Hold on.
You are right
Don't give up - baby
Baby
Babe.
'Cause you are young
You are right
Then you are wrong

You're a hero
Next day you're down

So hold on to your dreams.
All or nothing you can give
Live your life
Love to live.
Oh man
Oh man
Feel the night

Be strong enough till the morning light.
You're a hero
You're a man
You're tough to
Lose this game.
'Cause you are young
You will always be so strong
Cause you are young
You will always be so strong
'Cause you are young!
