

Feels Like Heaven

C.C. Catch

We fall in love
It feels like heaven in my heart
We fall in love
It feels like heaven in my heart

I walk down the streets of Amsterdam
Ik sag jou - Kijk in je ogen
En ik wist - Ik hou can jou

We fall in love
It feels like heaven in my heart
We fall in love
We fall in love

It feels like heaven in my heart
Un bello por favor
Un bello por favor

We fall in love
It feels like heaven in my heart

Ich liebe Dich so sehr
I love you
We fall in love

This song is dedicated to the lovers all over the world
