

Stop (dragging My Heart Around)

C.C. Catch

Save me - when I hurt you
Secret message - dangerous games
Reach out - love is so proud
It's the countdown to my dream
It's so danger - you're a stranger
Oh oh oh Stop - dragging my heart around
I'm qualified to satisfy
I'm qualified for love, my baby
Stop - dragging my heart around
Close your eyes and count to ten
I'm standing here again
Oh baby, oh baby
Save me from this heartline
Oh, I'm looking through magic tears
God knows all your love grows
Oh, I'm feeling pain and fears
It's so danger - you're a stranger
