

## Stop (dragging My Heart Around)

C.C. Catch

Save me - when I hurt you  
Secret message - dangerous games  
Reach out - love is so proud  
It's the countdown to my dream  
It's so danger - you're a stranger  
Oh oh oh Stop - dragging my heart around  
I'm qualified to satisfy  
I'm qualified for love, my baby  
Stop - dragging my heart around  
Close your eyes and count to ten  
I'm standing here again  
Oh baby, oh baby  
Save me from this heartline  
Oh, I'm looking through magic tears  
God knows all your love grows  
Oh, I'm feeling pain and fears  
It's so danger - you're a stranger
