

Tears Won't Wash Away My Heartache

C.C. Catch

Oh, I sold my heart to you
Babe, like all dreamers do
Feel the shadows of a heartache
Out of reach and out of touch
If I give you babe so much
Feel the shadows of a heartache
Oh, this restless world - I need my dream
Someone, save my life
And I know what it means

Tears won't wash away my heartache
Tears won't wash away, tears won't wash away
Tears won't wash away my heartache
Tears won't wash away, tears won't wash away

And I'm losing my dream - I pray to you
Davie, oh Davie - I'm dreaming
Davie, oh Davie - believe me
Tears won't wash it away
Oh, won't wash it away
'Cause to get hold on hard baby
Say farewell, don't say goodbye
It's too late for a try
Why can't we live together
Years may come and years may go
Oh, you hurt before you know
In the shadows of a heartache
I'll be afraid I'm losing you
Oh, don't save my life, babe
Oh, you're making blue
