Swig it up, hit it up ooow!

Label me a ring leader mad party leader
Make you sweat up a storm

'Til the morning light,

Body rock, show me what you got!
Let "Rob Reck" wreck the boom spot.

There is a dance over here, a dance over there
Everybody come by and drink some fabulous beer
There is drinking and winin'
Champagnes and dining
Beauty people screaming
To the beat just meloding
C+C have got the good men chillin'
Let's get funky and rhyme to the rhythm
Bounce to the beat that C+C is just kickin'
Ladies let your body just flow without stopping

Ladies let your body flow.
Ladies let your body flow.

Ladies let your body flow.
Ladies let your body flow.
