

Just A Touch Of Love (everyday)

C+C Music Factory

One two tree hit it
Just a touch of love
Just a touch of love

Love has been on my mind for some time now
But you've been the missing link
Of all that whats happened
All the stuff made me
Think that love is not for kids

(All I want is your touch)
So come a little closer
(What's his memory)
Open up your heart and let me in
(Like the bird in the sky)
Love has got me flying in
(And the stars in the night)
Beautiful

(Just a touch of love) (Just a touch of love)
Just a touch of loooooove yeah
(Just a touch of love) (Just a touch of love)
(Just a touch of love) (Just a touch of love)
Ooh just sweet love
(Just a touch of love) (Just a touch of love)

Music will lights the fires of romance
So that must be forever
You got a friend and a lover
Someone does discover
That just a touch of love is all I need

(Just a touch of love) (Just a touch of love)
(Just a touch of love) (Just a touch of love)
(Just a touch of love) (Just a touch of love)
(Just a touch of love) (Just a touch of love)
Just a touch of loooooooooooooooooove

(Just a touch of love) (Just a touch of love)
(Just a touch of love) ooooooh yeah (Just a touch of love)
(Just a touch of love) (Just a touch of love)
Give me your love
(Just a touch of love) (Just a touch of love)
