

# On My Enemies

C-Murder

Put your guns up and show love  
To one of the greatest niggas in the game  
Tupac Shakur  
This my one time tribute

You can tell by the hate in my eyes  
That I'ma ride 'til the day that I die  
(When we ride on my enemies)  
I bet you motherfuckers die when we ride, on my enemies

Got some static with some niggas  
On the other side of town  
And my big brother Kev'  
Yo, he's a rider now  
What they want from us motherfuckin' TRU niggas  
Cause we cool niggas, now we do niggas  
And move niggas  
Am I wrong? Fools makin' songs  
Tryin' to sound like us  
Must we go on on that herone  
In the south I trust  
'Till I'm out that bus  
Then they die when the sun come  
Tryin' to bite lightnin' of the sky  
How many cry?  
Heard the industry was tryin' to finish me  
Look bitch, I got your drink  
It ain't no motherfuckin' henisey  
Then i wastched them playa haters die slow  
Eliminate all you bitches on my motherfuckin' stage show  
Glanced at my calacos  
Time to exterminate my foes  
I can't stand you hoes  
Remember this as a bitch slap  
My lyrics runnin, all you cowards out of gangsta rap  
When we ride on my enemies

You can tell by the hate in my eyes  
That I'm a Soldier 'till the day that I die  
(When we ride, when we ride on my enemies)  
I bet you motherfuckers die when we ride on my enemies

Come take a journey to the Southside  
You can play the game, don't explain nigga time to die  
Now say goodbye  
Watch my eyes when I squeeze the trigger  
So right before you die  
You cry in front a bigger figure  
Now dry your eyes  
You was a gangsta when I couldn't get ya  
But now I'm free  
You got a hundred motherfuckers with ya(Hey)  
Pay attension, all you carbon copies  
You hella slopy  
And you mad cause the world jock me  
Ya never knock me  
How you fake motherfuckers heat it

Like you in Hell  
Dumb niggas barely breathin' cause you see me livin' well  
(Hell)  
Now you don't really want to be involved  
Cause when I bust  
You better trust I'm killin' all of ya'll  
Then ball, and tell the witness  
Keep they mouth closed  
Fuck around and get splanked  
By my motherfuckin' Tank Dogs  
Before I go make sure everybody heard  
Yo I meant every motherfuckin' word  
When we ride on my enemies

Rest in peace Tupac Shakur  
One of the realest, most illest  
Made motherfuckin' niggas in the game  
Or the rap industry, nigga  
Much love  
Thank you for that gangsta ass music you gave us nigga  
We gonna ride to that shit all the time  
Cause, uh, wasn't nobody really fuckin' with ya  
Cause they knew one thing  
You was gonna ride on 'em  
Ride on your motherfuckin' enemies  
By any means necessary nigga  
Ya heard me?  
Retaliation is necessary  
No Limit, for life  
For the realest  
Fuck the illest  
Peace
