

Try again, Smile again

C.N.Blue

More, Bigger halls and albums.
Don't lose my first intention.
I never lose myself everyday
More, bigger home and bling-blings
We got more concentration.
I never lose myself everyday.
I can get pressures at times but I am strong and I try to sing
all night.
I don't like same songs, and I don't like same sounds
I Just love to try all night

I'm gonna Try again Try again Back again Try it all night
I never give up forever
Try again Try again Back again Time to try
I want to try to show all night

More, Bigger car and concert.
Don't lose first my big passion
