

## Try again, Smile again

C.N.Blue

More, Bigger halls and albums.  
Don't lose my first intention.  
I never lose myself everyday  
More, bigger home and bling-blings  
We got more concentration.  
I never lose myself everyday.  
I can get pressures at times but I am strong and I try to sing  
all night.  
I don't like same songs, and I don't like same sounds  
I Just love to try all night

I'm gonna Try again Try again Back again Try it all night  
I never give up forever  
Try again Try again Back again Time to try  
I want to try to show all night

More, Bigger car and concert.  
Don't lose first my big passion  
I never lose myself everyday

We do more gig in many nation  
I never lose myself everyday.  
I can get pressures at times  
but I am strong and I try to sing all night.
