

## She Cries

C21

I've been trying to believe  
I've been trying but it's over

She's been hoping for  
that you will find your love again

I'm flying paperplanes  
With all the letters she writes

Why don't you realize now  
That everytime you break it

She cries  
Haven't been around to see her  
All night  
Haven't been around to hold her  
I try but she cries  
Haven't been around to tell her  
That i try the best that i can

Words dont change the way i feel  
Dont deny it to be better

Shes been cloce to me  
And i dont wanna lose a friend

I've been looking for a way  
To say im sorry

She's been waiting for you  
But everytime your gone

She cries  
Haven't been around to see her  
All night  
Haven't been around to hold her  
I try but she cries  
Haven't been around to tell her  
That i try the best that i can

You dont wanna make it stop  
I think i have seen enough  
Things have just been way to rough  
Tired of the same old bluff  
I dont wanna make you cry  
I just wanna say goodbye  
I dont need your seek and hide  
Living on the same old lie

She cries  
Haven't been around to see her  
All night  
Haven't been around to hold her  
I try but she cries  
Haven't been around to tell her  
That i try the best that i can
