

Are You In Love With Me Again?

Cab Calloway

Are you in love with me, dear?
Are you in love with me again?
Love, I must have near, dear,
If love stays til the end.
I still love you so true,
You'll never, never make me blue!
Oh, are you in love with me, dear?
Are you in love with me again?
Are you in love with me, dear?
Are you in love with me again?
Love, I must have near, dear,
If love stays til the end.
I still love you so true,
You'll never, never make me blue!
Oh, are you in love with me, dear?
Are you in love with me again?
