

Don't Know If I'm Comin' Or Goin'

Cab Calloway

You've got me on the go,
Running to and fro,
Looking high and low;
I don't know if I'm comin' or goin'
Since I fell for you!

Now 'round about the town,
Chasing you up and down,
Tagging you all around;
I don't know if I'm comin' or goin'
Since I fell for you!

You're so busy, oh, keeping up with all your love affairs,
I'm so dizzy, I've got trouble, I'm seeing double!

Just when I think you're through
Changing as you do,
You find someone new!
I don't know if I'm comin' or goin'
Since I fell for you!
