## Don't Know If I'm Comin' Or Goin'

**Cab Calloway** 

You've got me on the go, Running to and fro, Looking high and low; I don't know if I'm comin' or goin' Since I fell for you!

Now 'round about the town, Chasing you up and down, Tagging you all around; I don't know if I'm comin' or goin' Since I fell for you!

You're so busy, oh, keeping up with all your love affairs, I'm so dizzy, I've got trouble, I'm seeing double!

Just when I think you're through Changing as you do, You find someone new! I don't know if I'm comin' or goin' Since I fell for you!
