

# Hep Cat's Love Song

**Cab Calloway**

When I hug ya  
You stay hugged;  
When I dig ya  
You stay dug;  
When I kiss you, baby,  
Everybody knows that I'm wild about you!

When I love ya,  
I love ya strong!  
When you kiss me  
You can't go wrong;  
When I hold you, baby,  
Everybody knows that I'm wild about you!

You may say that I'm jivin',  
But it's you that I'm thinkin' of,  
It's not imagination or infatuation,  
It's just plain, everyday love!

I'm a schoolboy  
From the sticks;  
When I'm with ya,  
I get my kicks;  
You're a sencer, honey!  
Everybody knows that I'm wild about you!
