

Stack O'lee Blues

Cab Calloway

Stack O'Lee blues,
Know what it means,
Come on, honey, let's be stepping,
'Cause my feet won't keep still,
I've just gotta dance until I've had my fill.

Stack O'Lee blues,
Play it over for me;
I go crazy when I hear it
Anywhere I may be;
I long to hear them playing that Stack O'Lee.
