

## In Distortion

Cadaver

In pains, and sorrow  
Stay life the same, tomorrow?

Depression, grows deep  
I'm buried, beneath

I am the world in one  
Anger, suffer pain and sorrow  
Expecting to reach a life beyond  
Waiting paradise to come

I am the world in one  
Anger, suffer pain and sorrow  
Expecting to reach a life beyond  
Waiting paradise to come

What do we really believe?  
What is our purest emotion?  
Are we happy with what we perceive?  
Will it end all in chaotic distortion?

In pains, and sorrow  
Stay life the same, tomorrow?

I cannot tell  
I won't tell  
I just don't know  
I will not know

If I knew,  
What would I do?  
I am the world in one  
Until we all are gone
