

## The Happy Song

Cadet

I could sing unending songs  
Of how you saved my soul  
I could dance a thousand miles  
Because of your great love  
My heart is bursting Lord  
To tell of all you've done  
Of how you changed my life  
And wiped away the past  
I want to shout it out  
From every rooftop sing  
For now I know that  
God is for me not against me  
Everybody's dancing now  
'Cause we're so happy  
Everybody's singing now  
'Cause we're so happy  
If only we could see your face  
See you smiling over us  
Unseen angels celebrate  
For the joy is in this place
