

4 Years (Casey's Song)

Cady Groves

He made it look easy
But it aint that easy
Swingin from the edge of a limb

Nobody'd believe me
Nobody'd believe it
If I swore last night
I ran into him

Cause he's been long gone
For so damn long
They swear he made it home-
But I'm still holdin on

Chorus
Cause it's been 4 more
4 more years than I
Could take without him in my life
I'm no stranger to the pain
Cause I've cried
More tears in 4 years
Than I'll
Admit-i just caint see why
Someone would take away his life
I guess it's been
4 years-4 years since I
Never got to say goodbye
I never got to say goodbye

Well I was just a baby
When casey saved me
I've always owed my whole life to him

It's enough to drive me crazy
That I caint save casey
Cause what's been done
Has been done to him

Bridge:
Everybody called him crazy
When he swore that he could fly
But if I could fly with casey
Or get some sleep at night
