

Come Running

Cady Groves

There's a million reasons why I didn't come running when I wanted to
And there's a hundred different meanings to the way you say all the things that you do
Cause' that's what you do to me

Can't breathe when your sitting kinda far from me
Don't leave if you want it
Cause' I'm coming'
I'm Coming'
Come come coming for you
And I'm coming' soon

There's three words I really wanna shout out loud
And scream at you
There's two ways this can go and I don't want to know, If I'm gonna loose
Cause that's what you do to me

Can't breathe when your sitting kinda far from me
Don't leave if you want it
Cause' I'm coming'
I'm Coming'
I'm Come come coming for you
And I'm coming' soon

It dosen't matter if I can't say anything at all
Because I rather say nothing and have have a dream
You can't say anything to a brick wall

It dosen't matter if I can't say anything at all
Because I rather say nothing and have have a dream
You can't say anything to a brick wall!

Can't breathe when your sitting kinda far from me
Don't leave if you want it
Cause' I'm coming'
I'm
I'm Come come coming for you
And I'm coming'' soon

Well I'm coming soon
Hey I'm coming for you!
Oh and I'm coming soon

Oh and I'm coming' soon
