

Merry Go Round

Cady Groves

La di da, la di da, la di da, da, da, da
La di da, la di da, la di da, da, da, da
La di da, la di da, la di da, da, da, da, da
Remember the time I told you a lie
You said, saying sorry don't make it alright
Remember the way I promised you, baby
I would stay
I don't wanna do this
'Cause you won't forget it
I can't keep living a lie
I can't be everything you want me to be
Baby, I can't sleep knowing you
You can't breathe without me
Here we go runnin'
Hand in hand till you fall down
I won't look back
'Cause I'm on this merry go round
Ooohh, here we go round
You say "remember the trip
We couldn't afford"
My heart on my sleeve
Your feet on the dashboard
I'm scared for you
You dwell in the past
If you can't move on
We're goin' nowhere fast
I don't wanna do this
'Cause you won't forget it
I can't keep living this lie
I can't be everything you want me to be
Baby, I can't sleep knowing you
You can't breathe without me
Here we go runnin'
Hand in hand till you fall down
I won't look back
'Cause I'm on this merry go round
There he goes
Here I go
Here we go spinnin' around
There he goes
Here I go
There we go spinnin' around
There he goes
Here I go
No, we don't want to slow it down
I can't be everything you want me to be
Baby, I can't sleep knowing you
You can't breathe without me
Here we go runnin'
Hand in hand till we fall down
I won't look back
'Cause I'm on this merry go round
