

## Ana Nomaly

Caesar

(Ana Nomaly, one two three four)

You turned out to be just a little cynical  
Impolite and, oh, most of all  
You can swear,  
my girl, everywhere you go I'll be  
Ana Nomaly

You have proved to be just a little difficult  
Had me amazed, messed up for days  
You've got the mood swings of a small volcano  
My sweettooth, what is it with you  
and me, Ana Nomaly  
If you go, stay out of the flow  
with me, Ana Nomaly

(Ana Nomaly)

Life turned out to be just a little difficult  
Impolite and, oh most of all,  
so unfair  
My girl, you are everywhere  
I see, Ana Nomaly  
In delight, gonna be alright  
with me, Ana Nomaly
