

# Before My Head Explodes

Caesar

I go walking to the sun  
Whenever I go wrong  
Been going on too long

Please (I know) repeat it after me (I know)  
This stuff that makes me see (I know)  
You're better off than me (I know)

I go walking to the sun  
It shouldn't be too long  
Before my head explodes  
I'll be traveling again  
I'll live to see the end of this  
All right, it's time to let it go  
All right, it's early but I'll go

See what's happening to you  
You gotta know it too  
I'm sadder off than you

Please (I know) repeat it after me (I know)  
This stuff has made me see (I know)  
You're better off than me (I know)

I go walking to the sun  
It shouldn't be too long  
Before my head explodes  
I'll be traveling again  
I'll live to see the end of this  
All right, it's time to let it go  
All right, it's early but I'll go  
All right, you never really know
