

## Mistaken

Caesar

Last night I was screaming stuff  
I had been mistaken  
All shaking, I just couldn't stop  
You told me that I was going like  
Mmm

Well, lately I have come to see  
I'm trying and trying  
I'm fed up with this side of me  
It's happening, and I was going like□

Mmm gotta get it off me, until I let it go  
And catch the shadows down the wall

Last night I was screaming stuff  
I had been completely mistaken what you said to me  
You told me that I was going like□

Mmm, gotta get it off me, until I let it go  
Mmm, gotta get it off me, until I let you know  
And catch the shadows down the wall
