If It's Magic

Caetano Veloso

If it's magic... Then why can't it be everlasting Like the sun that always shines Like the poets endless rhyme Like the galaxies in time

If it's pleasing... Then why can't it be never leaving Like the day that never fails Like on seashores there are shells Like the time that always tells

It holds the key to every heart Throughout the universe It fills you up without a bite And quenches every thirst

So... If it's special Then with it why aren't we as careful As making sure we dress in style Posing pictures with a smile Keeping danger from a child

It holds the key to every heart Throughout the universe It fills you up without a bite And quenches every thirst

So... If it's magic... Why can't we make it everlasting Like the lifetime of the sun It will leave no heart undone For there's enough for everyone
