

Nine Out Of Ten

Caetano Veloso

I walk down Portobello road to the sound of reggae
I'm alive
The age of gold, yes the age of old
The age of gold
The age of music is past
I hear them talk as I walk yes I hear them talk
I hear they say
Expect the final blast;
I walk down Portobello road to the sound of reggae
I'm alive

I'm alive, vivo muito vivo vivo vivo
Feel the sound of music
Banging in my belly belly belly
Know that one day I must die
I'm alive
And I know that one day I must die
I'm alive
Yes I know that one day I must die

I'm alive vivo muito vivo vivo vivo
In the eletric cinema or on the telly telly telly
Nine out of ten movie stars make me cry
I'm alive
And nine out of ten movie stars make me cry
I'm alive
