

# Cigarette Daydreams

Cage the Elephant

Did you stand there all alone?  
Oh I cannot explain what's going down  
I can see you standing next to me  
In and out, somewhere else right now  
You sigh, look away  
I can see it clear as day  
Close your eyes, so afraid  
Hide behind that baby face

Do do do do do do

You can drive all night  
Looking for the answers in the pouring rain  
You wanna find peace of mind  
Looking for the answer

Funny how it seems like yesterday  
As I recall you were looking out of place  
Gathered up your things and slipped away  
No time at all I followed you into the hall  
Cigarette daydream  
You were only seventeen  
So sweet with a mean streak  
Nearly brought me to my knees

Do do do do do do

You can drive all night  
Looking for the answers in the pouring rain  
You wanna find peace of mind  
Looking for the answer

If we could find a reason, a reason to change  
Looking for the answer  
If you could find a reason, a reason to stay  
Standing in the pouring rain

Do do do do do do...

You can drive all night  
Looking for the answers in the pouring rain  
You wanna find peace of mind  
Looking for the answer

If we could find a reason, a reason to change  
Looking for the answer  
If you could find a reason, a reason to stay  
Standing in the pouring rain
