

## Portuguese Knife Fight

Cage the Elephant

I wanna waste my life with you, oh yeah  
Well the look in your eyes says you're feeling the same way too  
, oh yeah

The look in your eyes is as sharp as a cold knife fighter, oh y  
eah  
Cutting me through, yeah the feeling is true  
I really wonder, oh yeah  
Give me a sign, tell me what should I do  
Say that you're mine and you're feeling it too  
I made up my mind, yeah all of the time, you know  
I wonder, oh yeah

I wanna waste my life with you  
Well the look in your eyes says you're feeling the same way too  
, oh yeah  
Tell me, pretty bird how's that baby blue?  
I'm just trying to catch a feel from you, oh yeah, oh yeah, oh  
yeah

Now the curtain is closed, you got me feeling exposed  
Hallelujah, oh yeah  
Holding my hand, yeah the voice in my head  
I really wonder, oh yeah  
I started to fall and I went straight through the floor  
Down on my knees, you got me begging for more  
I made up my mind, yeah I put in the time  
Because I wanna, oh yeah

I wanna waste my life with you, oh yeah  
Well the look in your eyes says you're feeling the same way too  
, oh yeah  
Give me a sign, tell me what should I do  
I'm just trying to catch a feel

I wanna waste my life with you, oh yeah  
Tell me, pretty bird how's that baby blue?  
I'm just trying to catch a feel
