

# Telescope

## Cage the Elephant

In a far and distant galaxy  
Inside my telescope I see  
A pair of eyes look back at me  
He walks and talks and looks like me  
Sits around inside his house  
From room to room he moves about  
Fills his life with pointless things  
and wonders how it all turns out.

do do do do do  
do do do do do  
Safe to say that

I don't think you understand!  
There's nowhere left to turn  
Walls keep breaking

Time is like a leaf in the wind  
Either it's time worth spent  
or time I've wasted.  
Don't waste it.

Afraid of what the truth might bring  
He locks his doors and never leaves  
Desperately searching for signs  
to terrify, to find a thing  
He battens all the hatches down  
and wonders why he hears no sound  
Frantically searching his dreams  
he wonders what it's all about

do do do do do  
do do do do do  
Safe to say that

I don't think you understand!  
There's nowhere left to turn  
Walls keep breaking

Time is like a leaf in the wind  
Either it's time worth spent  
or time I've wasted...

Clearing my mind,  
losing my friends  
Follow my fears  
do it again.  
You say how, do, you do.  
Man, how 'bout you?  
Man, how 'bout you?  
To be free  
To be son  
To be killed  
To be saved  
In my head, I'm alone  
I'm un-dead, I'm ashamed  
Just like you, I've been tryin'

To be scared  
In my bones, I feel cold.  
I give this to the lord in the sea  
In this street  
Let me go  
Let me be, I don't need  
To be here, I'm alone  
Can't you see? Can't you see?

I don't think you understand!  
There's nowhere left to turn  
Walls keep breaking

Time is like a leaf in the wind  
Either it's time worth spent  
or time I've wasted...  
Don't waste it.
