Bring Me Your Blood

Cain's Dinasty

I was betrayed by the greed of my sons They took away my last drop of blood

I felt as it death embraced me again I was so weak that I could not feel the pain

When I find you I'll fulfill my revenge I gave you your life and you tried to kill mine

I looked throughout the world, as if looking for ghosts I will show them how cold is revenge I tried to chase but I feel like the pray Hope is away from me, I feel so confused

There is a punishment for treason For them it's just a game without rules, without rules
