

Taking a Look

Cain's Dynasty

I take a look at the past
In the quest of my life
I take a look at my sins
Digging in my soul...

Which is the meaning
Of this nightmare
Which is the reason
Of this existence

But I only know
That I can't carry on...
I can't carry on
Without your blood!

Where are my friends now?
Where are those things by which I was believed in the past?

I take a look at the ashes
Of my life one more time
I spent the time with a hope,
To see the sun

Everything finishes
But I go on...
