Comfort Eagle

Cake

We are building a religion
We are building it bigger
We are widening the corridors
And adding more lanes

We are building a religion A limited edition We are now accepting callers for these pendant key chains

To resist it is useless
It is useless to resist it
His cigarette is burning
But he never seems to ash

He is grooming his poodle He is living comfort eagle You can meet at his location But you better come with cash

Now his hat is on backwards He can show you his tattoos He is in the music business He is calling you "DUDE!"

Now today is tomorrow And tomorrow today And yesterday is weaving in and out

And the fluffy white lines That the airplane leaves behind Are drifting right in front of the waining of the moon

He is handling the money He's serving the food He knows about your party He is calling you "DUDE!"

Now do you believe
In the one big sign
The doublewide shine
On the bootheels of your prime

Doesn't matter if you're skinny Doesn't matter if you're fat You can dress up like a sultan In your onion head hat

We are building a religion
We are making a brand
We're the only ones to turn to
When your castles turn to sand

Take a bite of this apple
Mr. corporate events
Take a walk through the jungle

Of cardboard shanties and tents

Some people drink Pepsi Some people drink Coke The wacky morning DJ Says democracy's a joke

He says now do you believe In the one big song He's now accepting callers Who would like to sing along

She says, do you believe In the one true edge By fastening your safety belts And stepping towards the ledge

He is handling the money
He is serving the food
He is now accepting callers
He is calling me "DUDE!"

Now do you believe
In the one big sign
The doublewide shine
On the bootheels of your prime

There's no need to ask directions
If you ever lose your mind
We're behind you
We're behind you
And let us please remind you
We can send a car to find you
If you ever lose your way

We are building a religion

We are building it bigger

We are building

A religion

A limited

Edition

We are now accepting callers... For these beautiful... Pendant key chains
