

Friend Is a Four Letter Word

Cake

To me, coming from you,
Friend is a four letter word.
End is the only part of the word
That I heard.
Call me morbid or absurd.
But to me, coming from you,
Friend is a four letter word.
To me, coming from you,
Friend is a four letter word.
End is the only part of the word
That I heard.
Call me morbid or absurd.
But to me, coming from you,
Friend is a four letter word.

When I go fishing for the words
I am wishing you would say to me,
I'm really only praying
That the words you'll soon be saying
Might betray the way you feel about me.

But to me, coming from you,
Friend is a four letter word.
